

More than 146,000 Marylanders have enrolled through the state's health insurance marketplace during the first six weeks of open enrollment for 2015 coverage

Overview

As of Dec. 28, a total of 146,529 Marylanders have enrolled in quality, affordable health coverage for calendar year 2015 since the 90-day open enrollment period began Nov. 15. That includes 83,735 individuals enrolled in private Qualified Health Plans (QHP) and 62,794 individuals enrolled in Medicaid.

Marylanders can enroll by Jan. 18, 2015 for coverage effective Feb. 1 and, if eligible, for an Advanced Premium Tax Credit (APTC) to immediately lower their monthly insurance bills. Marylanders who bought qualified health plans in 2014 should re-enroll by Jan. 18 for an Advanced Premium Tax Credit that begins Feb. 1. They will receive any tax credit owed for January 2015 when they file their federal income tax return in 2016.

Data

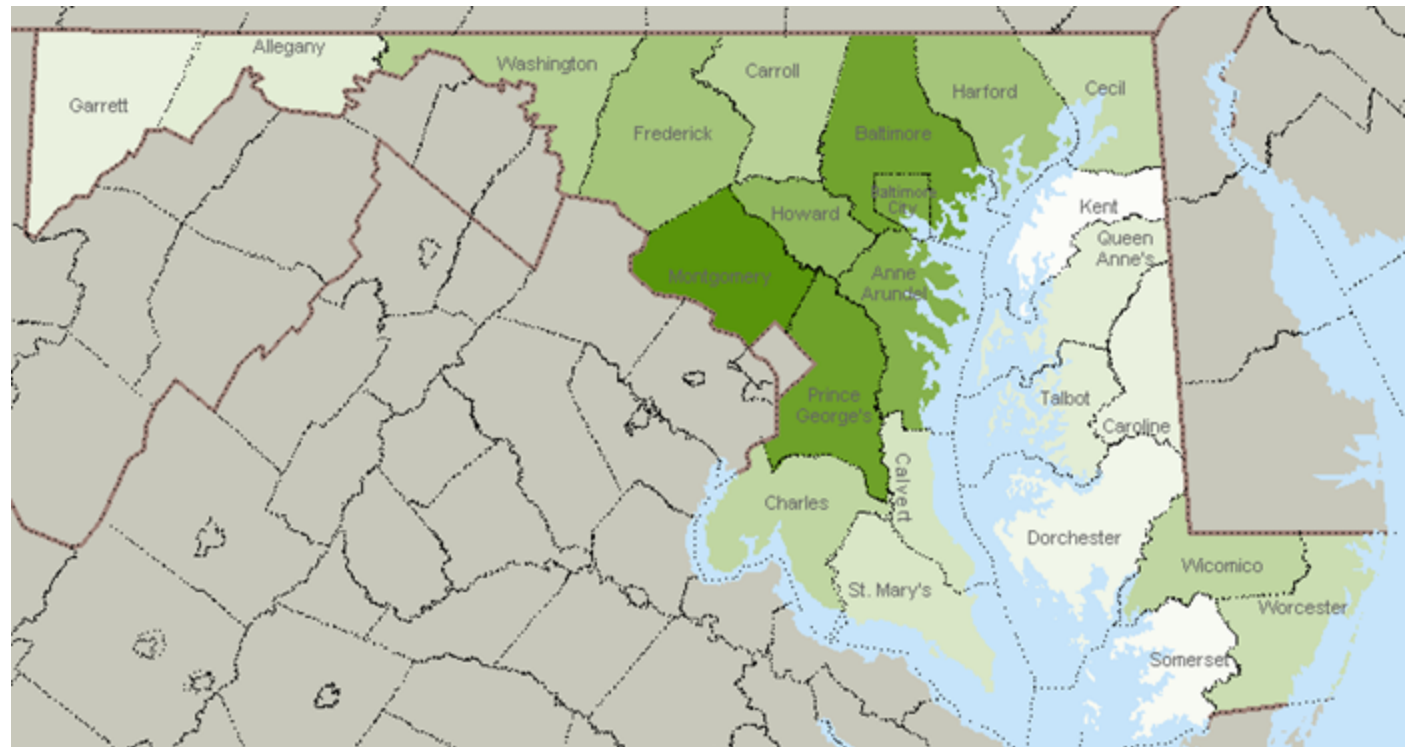

QHP enrollments during the first six weeks of the current open enrollment period for 2015 coverage already have eclipsed the 81,091 QHP enrollments for 2014 coverage. Open enrollment for 2015 continues through Feb. 15. More than 275,000 users have visited the application portal of MarylandHealthConnection.gov since Nov. 15.
